PINOT NOIR CENTRAL COAST

V I N T A G E 2 0 2 2

Planted in 1982 on an east-west axis, our Central Coast Pinot Noir's 40-acre vineyard is located on the west side of the Santa Lucia Highland. The prevalent fog and ocean breeze make this growing region ideal for this opulent wine; however, the warmer day temperatures allow for a more fruit forward finish on the nose and for the pallet.
