2017 SONOMA COUNTY SAUVIGNON BLANC

Vineyard

The 2017 Home Ranch vineyard is a five-acre parcel located on the cooler, East side of Dry Creek in Sonoma County and has been farmed by the Sbragia family for decades. It produces bright fruit flavors, good structure, and balanced acidity.

Winemaking

The grapes were whole-cluster pressed on the same day they were picked. The juice was fermented in stainless steel tanks at cool temperatures to preserve the delicate fruit aromas. This results in a nice crisp fresh wine.

Tasting Notes

Summertime in a glass. Our Sauvignon Blanc has a bright floral and citrus aromas. The crisp flavors of Asian pear, apple, lemon and white peach with a hint of minerality that transition into vivid, crisp acidity, supporting flavors honeysuckle and grapefruit. Elegant, but with a vibrant intensity of flavors, the wine has a dry crisp, refreshing finish which is perfect for your summertime affairs
